Minutes of 2025 AGM

Greensborough Football and Netball Club
2025 Annual General Meeting Minutes
Sunday 26th October, 2025

Start Time: 11.05am

1. Welcome/apologies: Jason Lawler welcomed everyone.
   Apologies: Mick Mansfield, John Waugh, Russell Grubb, Michael Evans, Lauren Cleary and Jake Lambert.

2. Confirmation of the GFNC 2025 AGM Minutes: read by Jason Lawler
   Received By: Mal Haynes, Seconded: Phil Johnston

3. Presentation and adoption of 2025 financial statements:
   Tabled for review: 2025
   Received by : Cath Pannam, Seconded by: Stacey Hattenfels

4. Presented and adoption of 2025 Annual Report: Tabled for review
   Received: Stacey Hattenfels, Second: Jenny Feely

5. Proposed updates to “Incorporated Association Rules”:
   Rules changes explained to the meeting by Phil Money. No questions were asked, and a vote was taken and passed.

6. General Business: no issues raised.

7. President (Jason Lawler) Declared all committee positions vacant.

8. Secretary advised all committee positions vacant and the following were nominated for season 2026

GFC - Executive Committee positions 2026

Position	Filled by	Nominated by	Seconded by
President	Steve Ellis	Matt Glenn	Mal Haynes
Vice President	Matt Glenn	Steve Ellisn	Mal Haynes
Vice President	Paul Fisher	Steven Ellis	Phil Johnston
Secretary	Mary Fleming	Cath Pannam	Stacey Hattenfels
Treasurer (1)	Phil Money	Glenn Seivers	Stacey Hattenfels

10. Welcome to the 2027 GFNC Committee
11. Close Meeting

GFC President's Report

It's hard to know where to start reporting on season 2026……but one thing that is certain- was that it was successful.

As a first-year President, that is all you can ask for. I went I to this venture with my eyes wide open & expecting there to be a lot of work, great times, trying times and a lot of satisfaction…..and it was definitely all of those things.

There is so much that is involved in running a football club & ensuring that things are operating as they should be & all is on track. The biggest thing you need is great people to assist & have the same goals, ambitions & passion for the club & there is absolutely no doubt that we had that in spades throughout this season.

We had a fantastic new committee that committed to get involved & role their sleeves up on AGM day 12 months ago- and they were magnificent from Day 1. Any club is only as strong as the people that are involved & every person brought into the common goals we all had of making our club successful on & off the field- and all the work that was associated with that.

I'm immensely proud & grateful for what we all achieved this season.

It was an eventful season that started with Good Friday on Round 1, which was the biggest crowd I've ever seen at War Memorial (of which the organisation was immense) then other challenging days like ANZAC Day, Ladies Day, Sportsman's Day & the 5K raffle day.

As a result of these days & the success around the organisation of, we were able to generate the sort of funds we needed (along with many other initiatives) to leave the club in a very healthy financial position as of today. That is extremely satisfying & means we have access to the funds required to organise essential things around preseason, new jumpers for the players in 2027 & a great kick start into next season. An enormous thanks to Phil Money & Mal Haynes for all the diligence and professionalism in the finance chair this season. We are extremely lucky to have both of them looking after this for our club.

This sort of result off the field doesn't happen without the enormous efforts, buy in & support of our players. Off the field they were magnificent with everything we asked of them this season- and on the field they were just as determined, committed & successful.

Our U/19's progressed from 0 wins in 2025 to 8 this season, our Development team finished in the Preliminary Final & our Seniors made a magnificent, gutsy run through the finals series to just go down in the Grand Final by 30 points. To see our entire playing list perform throughout such a long season so well, make such improvement/development and do all of us proud, was extremely satisfying.

A massive congratulations to all of our playing group, there is no club without them & their efforts and preparedness to put their bodies on the line and devote their time over approx 10 months of training is sensational & appreciated by us all.

As magnificent as this was, we aren't satisfied- nor will stand still-- at the time of writing, we are working hard to retain our talented list, recruit who we need to make us better on & off the field and ensure that 2027 is bigger, better & even more successful as this one has been.

There are so many people to thank & I can't physically do so in this report, but you all know who you are. I have expressed my thanks to you all many times over the course of the season. To all of the committee, you were all magnificent & I hope the season made you all as proud of our club as I am—and you felt that your efforts were worthwhile. I really hope all of you put up your hand to get involved again in 2027 to help us keep our club at the top of Div 1- where we should be.

A huge thanks to Mary Fleming, who as secretary does a power of work & is the backbone of our club. The club wouldn't run like it does, if it wasn't for your efforts & has made my life a hell of a lot easier in my initial year in this position.

The other massive thanks is to Glenn Turner. Not just for his work in footy operations, but in many other things he does around our club to make it better on a daily/weekly basis. His passion, care & commitment to the club is over and above & I'm sure most people have been touched by his efforts & influence over the course of the season. I shudder to think how many phone calls have been made between the 2 of us over the last 12 months!!!

"All My Life!"

It's been an enormous honour to be in this position at the footy club I have grown up with and have a lot of love for & I certainly don't take the responsibility for granted. It has been a pleasure working with so many fantastic people who share that love as well. As mentioned above, it has been a successful season, with a lot to be proud & satisfied with, but i/we won't be resting on our laurels. The hard work has already started towards 2027 & we want next season to be more successful as this one has been.

We want some more cups in that cabinet this time next year!!! I think it's very achievable……

There is a lot of excitement around the place with what is to come.

All My Life,

Steven Ellis

GFC Secretary's Report

2026 was a joy, with its much lightened load with help of a new president, Steve Ellis. The PlayHQ administration continues to be challenging, but I think it is easier each year. From a Club perspective some amazing achievements.

Thank you to the following people.

- Glenn Seivers and his liaison to the council, the Cricket Club and his background repairs etc.
- Neil Brindley for all his help from clarifying things for me, to sorting my formatting. He is an enormous asset to our club, sets up visual-audio equipment, and sets up computers for home games on PlayHQ. He repairs, fixes and is all knowing around my IT issues.
- Paul Fisher who set up weekly players record on home games, who assisted me with posts, and always had great ideas.
- Ben Keane who assisted with photos, podcast to help us with the TAC grant application and always has a smile on his face.
- Glenn Meredith who took on some big jobs, assisting with sponsorships and also including selling tickets for 5K day, was all over tribunal issues and of course our new BBQ from Bunnings for our BBQ king (Mick)
- Social committee; Kirstie, Shae and Tom for an outstanding job.
- Carly Walsh was ready to do anything and did it, particularly thanks for organizing the presentation night.
- Wayne Walsh for fixing up sponsorship emblems on all jumpers early in the season and for being junior liaison, and in general ready to do anything too.
- Steve Ellis for all his support throughout the year and lightening my load,I do so appreciate it.
- Doug Fisher and Russell Waites assist with cleaning around the club and Russell for the many other jobs he does, particularly transporting supplies at our away games for trainers.

My role as the Seniors team manager was a great joy being in the midst of the playing team and coaches. They all show me the greatest respect, that is very much appreciated. My thanks for assistance from Wattle, Dave McGregor (for being my eyes), and Lyndal Eastwood as my back up, many times. A great achievement from all teams, this year you should all be so proud.

In addition, a huge thanks to every person who volunteered in any capacity throughout the season, from the seniors perspective the Umpire Escorts Chris Mc Dowell, Kellie Sannholm and Raelene Ristevski, the Timekeepers Jan Hattenfels and Russell Waites, Water Carriers Elijah Sage and Luca Clarke (who travels up from Barwon Heads each weekend!) and of course our senior runner- Matt Haynes.

Kind Regards
Mary Fleming

GFC Treasurer's Report 2025/2026

Please find attached the financial statements for the year ended 30 September 2026.
In 2025/26, the Club made a very pleasing Net Profit of $42,990.92 following 4 consecutive annual Net Losses including $16,756.46 in 2024/25. Despite this year's Net Profit, there remains significant ongoing challenges of funding a successful Club in Division One of the NFNL and the Club cannot financially sustain any future net losses. It is important to note that we will not have the financial benefits of a Good Friday game in 2027 and there are likely to be significant financial challenges associated with the planned oval restoration in 2028.

The overall positive financial result for 2025/26 reflects:

Trading Income

- Higher bar sales due to the Good Friday game, social events arranged by the Social Committee and the players.
- Higher canteen sales due mainly to the Good Friday game.
- Higher club sponsorships.
- Higher club 50/88 memberships.
- Higher player sponsorships.
- Higher proceeds from raffles including the Christmas raffle, Toyota Good For Footy raffle and the Thursday night meat raffle/poker draw.

Operating Expenses

- Higher player payments
- Higher cleaning costs.
- Kitchen upgrade costs (supported by a grant from Banyule City Council
- Lower trainers costs

We'd like to provide a big thank you to our club and player sponsors who provide the Club with much appreciated and valuable financial support. We are extremely fortunate to have these sponsors that are vital to our financial sustainability.

Thank you also to our Club 88 members for the great financial contributions they made.

Again, there were significant financial contributions from the bar and the canteen.

Our thanks to Tania Palaia and Jason Langman for their support in running the bar and also to the volunteers who have helped out with the bar on Thursday nights and for the Club's social events

Our thanks also to Lauren and her team for the efficient and productive operation of the canteen. The Club extends its sincere appreciation to Lauren and her team for their efforts not only on a Saturday but also on Thursday nights. The Committee, players and supporters all appreciate the availability of the meals on Thursday nights which help provide the opportunity for us to get together and enjoy the Club atmosphere.

There were also a number of very successful social events arranged by the Social Committee (including Kirstie Glenn and Toni Turner) and the players led by Ben Money and Tom Brindley (who also lead our involvement in the Toyota Good For Footy Raffle).

Thanks very much to all those involved in these as well as Glenn Turner who arranged the Thursday night raffles and Russell Grubb who organised the Sportsmens' Lunch.

Thanks also to Stacey Hattenfels for looking after merchandise, Paul Fisher for looking after Club 88, Michael Mansfield for looking after Boro Lotto, Glenn Meredith for organising the 5k ticket sales and Phil Johnston for selling the best on ground/first goal tickets.

We do need to recognise the efforts of our President, Steven Ellis and the Committee, together with the volunteers, without whose contributions the Club could not function.

We also need to provide a big thanks to our whole playing group for their ongoing commitment to our Club both on and off the ground.

Going forward, we will all need to work even harder at generating more revenue particularly in the areas of club and player sponsorships and supporting club fundraising events so we have the resources to give ourselves the best chance of achieving on field success for all our teams.

Phil Money & Malcolm Haynes

Josh Manuell	25	17	West Preston	Away - J.E Moore Park Oval

*Selected as 23rd player

Thanks to our social committee for their amazing effort this year, including our very successful "Ladies Day"

"All My Life!"

Senior Coach's Season Reflection

Matthew Hyde

As I sit back and reflect on the 2026 season, there are plenty of emotions. This season has
genuinely been a roller coaster both on and off the field.

Post our last game though, pride is probably the biggest emotion felt.

The year didn't start as strongly as we would have liked. There were challenges, inconsistency and plenty of things we needed to work through. We knew we had a talented group, but with injuries and new recruits, it was taking time to piece it together. We needed to find our identity, develop connection and, most importantly, learn to move as one.

Over the second half of the year, the group continued to grow. Week after week, Boro started to show more of the football we knew we could play. The work rate lifted. Our pressure and intensity improved. Our structures became more consistent. And most importantly, we became more selfless and accountable as a group.

We started to understand that success wasn't going to come from one or two individuals. It was going to come from everyone playing their role and being willing to do the things that don't always appear on a stat sheet.

That became the identity of our Senior group.

The growth wasn't limited to our Senior team though. Across the club, we saw enormous development. 47 players moved through our Senior side throughout the season, which says a lot about the depth, character and opportunity within the football program.

Our Development group continued to challenge, improve and ultimately beat every side in the competition. They were strong and faced incredible challenge during the finals. A huge shout out to Brent Ryan and the team. They did an incredible job and should be super proud.

Our Under 19s went from a winless season in 2025 to eight wins in 2026, another enormous example of what growth can look like when young players are given belief, support and an environment in which they can develop. We also saw several Under 19 group play Seniors for the first time. It is a testament to the time and effort Marc Vangelista and his crew put into it all. The growth is their blood, sweat and tears. Well done!

As we reached the business end of the season, the Senior group started to look like a team we all knew was there.

We had setbacks, we reflected, we adjusted, and we came back better.

The football we produced through the finals was some of the most impressive football I have seen Greensborough play in my 3 years as Coach. The work rate, intensity, willingness to play for one another, and our attack at the contest was genuinely outstanding. It was selfless, accountable Greensborough football.

And it resulted in the group making its first Grand Final appearance in 7 years.

Whilst we ultimately fell short, the Grand Final performance was outstanding.
We played incredible football and were in the contest until the final siren. It was genuinely incredible effort, and one that only makes the group stronger for the experience. An important stepping stone in a longer-term journey, and something for all involved to be really proud of.

I want to thank every player who pulled on the Boro jumper this year. Thank you for your commitment, your resilience and for continuing to turn up when things weren't always easy.

"All My Life!"

To our coaches, volunteers, and support staff - thank you. I know I had the opportunity to thank so many of you in person, and I hope you know how valued you are.

To the supporters, I hope you are proud of the group and the growth made this year.
It is special and your continued support is invaluable.

Finally, as I conclude as the Greensborough coach, I wanted to send a sincere thank you to my family. Emily, Charlie, my parents, my sisters, their partners… Greensborough is synonymous with the Hyde name, and I feel privileged to have been able to lead the club like my father has before me. It is an honour and something I will always hold in the highest regard.

I set out to leave the club in a better position than when I found it and am proud that the goal has been achieved. Post not making finals in 2023, the side has made Preliminary final, Preliminary Final, and now a Grand Final.

Whilst this matters, it is the cultural elements that matter more than the on-field success. I am proudest of the honest, ethical, and transparent way I have been able to lead one of the greatest Northern Football League Clubs that exists. I hope this has been the biggest impact I have had on the club and all involved.

Greensborough is a special place, and I wish nothing but the best for what comes next for everyone in Green.

All my life 💚
Hydey

Development Coach's Report

Brent Ryan

Firstly, I just want to thank Matt Hyde, my former premiership teammate, work colleague and friend for asking me to come home in a coaching capacity and to the Boro faithful for welcoming me back with open arms.

It was a privilege and learning experience coaching my own side for the first time and as I said to the players after our preliminary final loss to Montmorency, what does success look like for a development team season? I think we were successful for multiple reasons:

We had multiple people be ready for senior opportunities throughout the year when their form was too good to refuse or an injury occurred.

We created a balanced environment of aiming to win, having fun and exploring growth in different positions. Despite some light on numbers early in the year, we often didn't play our "best side" and

That meant that all players on our list played anywhere from 14-21 games and often had a good chunk of games in a row. Our squad mentality was brought up throughout the year with players who were rotated supporting my doing off field roles and coincidently was called upon and tested in our last game when 5 of our players were unfairly dragged through the mud by the NFNL to send a message. Players also came back to us mid-year because they had heard firsthand the culture we were building.

We won 16 of 21 matches throughout the year, beating all sides including the grand finalists, had our first finals win in 3 seasons and reached a preliminary final.

As the 19s and Seniors had periods of challenges on field, we remained a positive beacon and strung some excellent wins together especially in the early to middle parts of the season.

I want to thank our assistant coaches for the sharing of information, passion for the game, care for the players and support of me. Graham Bowen, Gary Hasler and Chris Bowen. I am sorry for all the WhatsApp messages and footy talk, but I genuinely believe the group were fortunate to have you and your commitment for a development group.

As a first-time coach you are exposed to all the small things and additional work that aren't necessarily sexy but importantly needs to be done so your 24 players can play each week.

My huge thanks to people like our;

- Team Manager - John Waugh
- Stats guru - Dave McGregor
- Runner - Jordan Haynes
- Board man - Joel Brown
- Waitsey for being Waitsey
- Mary for all her support with registration particularly in the first 5 weeks.

To our small but trusted leadership group of Josh Money, Mark Pegoraro, Lachie Hill and Max Johnson, thanks for your support, guidance, honest conversations and buy in.

To our award winners, well deserved and well done on these, you all have plenty of good football left ahead of you and more senior opportunities. It has been an honour to support your football and personal journey as young men.

1st Best & Fairest - Lachlan Hill
2nds Best & Fairest - Zac Gigliotti
3rd Best & Fairest - Logan Daniltchenko

"All My Life!"

Goal Kicking - Logan Daniltchenko (46)
Most Consistent - Zac Gigliotti
Best Finals Player – Mark Pegoraro (finals votes should be added to the best and fairest please)

In closing, I wanted to highlight a few highlights from the 2026 season in the Boro development side;

- The addition of the four x under 19s who came up not the senior program, and all settled in well – Jye Lupton, Alex D'Amico, Daniel Dimech, Tyler Murphy
- Return of Greensborough people to the Jacob Pickett, Cory Potter and Zac Johns
- The way not only our side wrapped around and support players who were dropped from the senior side, but the attitude of boys coming down.
- Newly appointed club life member Jake Lambert playing his 250th Open age/U19 club game against Bundoora in round 18 at home.
- Dan Otto training while wife was in labour
- The gutsy, undermanned win against Heidelberg in round 4 to spoil their 150th anniversary.
- The Brown Brothers Joel and Toby playing their first football game together in Round 17 against West Preston
- Assistant coach Chris Bowen taking the keys as head coach in Round 17 v West Preston
- New players meat tray otto

Thanks all for an enjoyable and rewarding 2026 season and final thanks to my wife Alicia and kids Charlie and Kyla who supported me to commit time and energy away from them to do something I enjoy and are passionate about and bring on 2027!

All my life 💚
BR

"All My Life!"

U19.5's Coach's Report

Marc Vangelista

Firstly, I just want to say a massive thank you to everyone who has been part of the Greensborough Under 19s this season.

When we look back on the year, it's easy to focus on wins, losses, the ladder and results.

But for me, the biggest measure of this group has been the growth — not just as footballers, but as teammates and young men.

We've seen players develop their skills, take on different roles, grow in confidence and learn to take more responsibility. We've seen you respond when things didn't go our way, support each other after disappointing losses, and keep turning up and giving your best.
And that's what development is really about. It's not always about possessions or goals. It's running for your teammate, making the tackle, doing the one-percenters, putting your body on the line, or simply putting an arm around someone who's had a pretty ordinary day.

Those are the things that build a team.

A huge thank you to Deakin, Ned, Grant and Smithy. Each of you brought something different to this group, and the time, energy, care and commitment you put in didn't go unnoticed. Coaching is so much more than what happens on game day — it's the planning, conversations, feedback, encouragement and support throughout the year. I genuinely appreciate everything you've done.

And a massive thank you to Tabs. So much of what you do happens behind the scenes — the organisation, communication and all the little things that keep everything running. The care you've shown for the boys and the club has been enormous, and we genuinely couldn't have done the season without you.

For many of you, this is the beginning of your next chapter. Some will move into senior football, while others will take different paths. Whatever comes next, take the lessons from this year with you and remember what you're capable of when you commit to something and do it together.

Years from now, you probably won't remember every score or every game. But hopefully you remember the friendships, the laughs, the big wins, the heartbreaking losses — and most importantly, the feeling of belonging to something. That's what being part of the Greensborough Under 19s is all about.
Thank you, boys. It's been a privilege to be part of your season. Go Boro!

All my life 💚
Marc Vangelista

Teams

The official standings at the completion of the 2026 season - Northern Football Netball League, Senior Competition

Greensborough 1, Premier Division 2 – Finished 4th of 8
Greensborough 2, Division 4 – Finished 7th of 8
Greensborough 3, Division 7 – Finished 4th of 9
Greensborough 4, Division 7 – Finished 9th of 9
Greensborough 5, Division 10 – Finished 7th of 8
Greensborough 6, Division 14 – Finished 4th of 9 (Grand Finalists)

Player Recognition

It was a significant achievement for Greensborough Netball Club to have three players nominated for the NFNL Rosbrook Gannon Awards in 2026.

- Rosie Nicholl: WINNER Division 7 Best and Fairest
- Isabella Freestone: WINNER Most Improved Umpire
  Isabella Freestone: RUNNERS UP Division 7 Best and Fairest
- Emily Baker WINNER Division 14 Star Shooter

A huge thank-you to our sponsors for season 2026;

Aspire Financial Planning

Jellis Craig Greensborough

"All My Life!"

President's Report

Belinda Giouskos

This year has been another positive year for Greensborough Netball Club, with continued growth across our teams and strong development among our players.

I have been particularly pleased to see the progression of players from our junior Thursday night teams into senior netball. This reflects the strength of our junior-to-senior pathway and provides a solid foundation for the club's future.

Our players have also contributed through fundraising activities, helping support club initiatives and events. A highlight this year was GNC's first standalone netball presentation night, giving us an additional opportunity to celebrate our netballers' achievements alongside our participation in the joint GFNC presentation night.

I would like to acknowledge our coaches for their ongoing dedication, knowledge and commitment to developing our players. I also thank Rod Ebbage for recording and entering goals for all teams following Friday night games, and all our volunteers who contribute their time behind the scenes.

I congratulate Rosie Nicholl, Isabella Freestone and Emily Baker on their nominations for the NFNL Rosbrook Gannon Awards, recognising their talent and commitment throughout the season.

Looking ahead, I am encouraged by the continued development of our teams and the progression of our junior players into senior netball. I remain committed to supporting these pathways and maintaining an environment where players can develop, enjoy their netball and feel connected to the club.

I thank everyone who has contributed to Greensborough Netball Club throughout 2026 and congratulate all involved on the season's achievements. I look forward to building on this progress in the years ahead.

Belinda Giouskos

Head Coach's Report

Jenny Feely

Netball is a wonderful game, full of fun and fitness and highs and lows. And this year has been no exception.

I would like to begin by thanking our wonderful coaching team for their dedication, willingness to work hard as they plan for and run training sessions, plan team structures, find fillings, deal with issues as they arise and, of course, coaching games. It's challenging and can occasionally be a difficult task , but one that is so often filled with satisfaction and a strong sense of achievement. Greensborough coaches are all skilled, and positive role models. They support and encourage their players. They work tirelessly seeking to win, but more importantly to develop and celebrate the players in their charge.

Without our coaches our club would be much diminished. So sincere thanks to:
Chris Hollows – coach of team 2
Sarah Einsendel – Coach of team 3
Sonia Tukec – coach of team 4
Lisa Mandacini – coach of team 5
Tracy Eisendel – coach of team 6.

We couldn't do it without you.

As well, we need to stop to think about the dedicated and hard-working committee who give so selflessly of themselves to ensure a well-run club. Our president Belinda Giouskos, treasurer Nat Jolley, Secretary Mel Ramsay and Rod Ebbage who enters the teams and goals scored each week.

They work very hard doing a myriad of things without which our club would not exist. They are the unsung heroes of the club. There are too many jobs to list but every season teams have to be entered, transfers organised, courts booked, uniforms ordered, fundraising organised, players registered, scores recorded, issues resolved, trophies ordered and engraved, balls to be pumped up, presentation night to be organised and catered for, and so much more. So a huge thanks to our amazing committee.

And finally a huge thanks to the parents and partners and friends who support us. Some sit at training freezing their bums off, some score, some drive our players to matches, some come and barrack. This support is so important. It makes our club a great place to be. So thank you one and all.

So now to season 2026

GNC - Team 1

Jenny Feely

Team one has the exciting opportunity of competing in the premier division of the NFNL netball competition, holding a place in Division 2. The premier division is not subject to grading, but instead it is based on the finishing positions of teams in the preceding winter competition. Premiership teams go up the then next division; bottom of the ladder teams are relegated to the division below or out of the premiership section. Greensborough netball club takes this privileged position seriously and works hard to ensure at the very least that relegation does not occur.

This year Division two was a fiercely competitive section. There were no easy games. On any given night any team could win and many upsets were seen as the season progressed.

But, undaunted, team one came out on the right side of that equation much of the time., finishing fourth in the season and reaching the preliminary final where, unfortunately, we were beaten by North Heidelberg in a fiercely contested and exciting game.

There are many things we need to celebrate about team one.

Firstly; they have worked very hard at training all year – turning up, working hard, refining and extending their fitness, ball skills, attacking and defensive skills, teamwork and knowledge of the game. This has resulted in each and every one in the team becoming stronger, fitter and more skilled. They are able to execute existing skills at a more sophisticated and impactful level. Some of them have added the ability to play in new positions. And along the way there have been a lot of laughs.

Secondly; Every player has given 100% - every week. No-one could ask for more. Our goalers in many games achieved 90%+ accuracy – a truly impressive achievement.

Thirdly; They encourage and support each other at training, on game night, during the week and through the highs and lows.

And lastly, and most impressively they never give up, striving to the very last second of every game. This has enabled us to win in the last seconds of a game on a number of occasions cementing our spot in Div 2 for 2027.

Before moving on to announcing the awards I would like to make one more comment.
For the last five years Lauren Mcmahon has been a wonderful addition to our club. She is a great person and netballer. Her friendly manner, her excellent netball skills and her supportive and encouraging team work have made her a most valued person to her teammates and her coaches.

Sadly, for us Lauren is moving into the next exciting stage of her life – leaving the big smoke and heading back to Shepp and then onto a new and exciting life with her partner. It has been an honour and a pleasure to have had you in our lives Lauren. We wish you every success and happiness in whatever you do and wherever you go. We will miss you, but we will also treasure our time with you. Much love and best wishes to you.

As always every player is deserving of recognition. And I would really like to honour every player I have had the honour of coaching this year.
But that's not how it works

Player's choice award - Abbey Bell
New to our club this year Abbey has brought many things to our club, and in particular to team one. These include a high level of skill, knowledge and commitment to doing her best - all the time – in every game. She's fast, she's skilled and she knows how to play the game well. She is a great team member – discussing things that could be added to the game or done differently with her teammates in a supportive and intelligent way. She responds well to coaching ideas about what things to continue or change about her game. She can be relied upon to do whatever the team needs. She is well respected and liked, and her value is recognised by her teammate who voted for her in every game. Congratulations on a great season.

As said earlier, Abbey is a fantastic player. Trained in the country leagues, Abbey has brought a lot to our team. She is a skilled and clever player. She has been a thoughtful and effective general in our attacking third, directing play and displaying excellent timing, precision passing and great team work with both the other centre court players and the goalers. As well she applies a strong and determined defensive pressure all over the court.

She listens and responds to coaching ideas and directions. She never complains, always supports her teammates and plays her heart out. She has had an outstanding season and I look forward to seeing many more from her while we can hold her in the big smoke.

Coach's award - Tahlia McLeish

As a coach the most important thing I look for from all of the players I have the privilege of coaching is not where they start, or how good they are, but how much better each player can get and whether they are willing to work hard to get there. A coach can only support this to happen, they can't make this happen. Players need to step up and do this for themselves.

Early in the season I had a quiet word with Tahlia about the things she was doing well but also about the things I would like to see her add to her game this year. Things I thought might take her from being a very good player to being a great player. She looked a little crestfallen and I wondered if I had upset her. But the next week she came to training and started to work.

She worked on her passing skills, her balance and footwork when landing, reading the ball, creating intercepts, and so many more things. She always gave 100 % and she got better and better. All my players did. But Tahlia stood out.

Best and Fairest Runner Up - Shannon MacCracken.

Shannon is, first and foremost, a team player. As well she is a great leader, both on and off the court. She is a conscientious captain. She looks after all her team mates, encouraging them, supporting them, helping them. But more importantly Shannon is a skilled and effective player, who casts fear into the hearts of those she plays against. That said I must say that Shannon is always a fair, clean and respectful opponent so this fear comes from her speed, her reading of the game, her close marking, her ability to disrupt and confuse the best attackers who have trouble seeing the ring over her well-placed hand and deadly reach, fear that they may never get a goal or a rebound again.

Congratulations on a great season Shannon and I look forward to seeing you out there terrorising goalers for many years to come.

Chris Hollow – Team 2

This season, we had high expectations, starting off with a slightly different team compared to previous years. We had the introduction of a couple of new players, with Mahalia joining the team, followed by Kiara joining later in the season.

It was an extremely tough season, with all teams being highly competitive. Unfortunately, Team 2 didn't finish as high as we had hoped. We suffered injuries, countless fill-ins, and times when both players and the coach were away.

Nevertheless, one thing this team had was heart, passion, and the commitment to never give up. We were extremely competitive against all sides. Five or so games were lost by two goals or less. If we had turned those losses into wins, we would have been a strong finals contender. As many people have said, Division 4 is one of the hardest divisions in the competition.

I just want to say a massive thank you to all the girls. Your commitment on and off the court was unprecedented. The way you all came together each week was extraordinary. You backed each other, you helped each other out, but more importantly, you came together as a team. And that's the most important thing in netball: TEAM COMMITMENT.

A couple of shout-outs. Thank you to Jenny for helping at training, offering advice, and being a sounding board whenever I needed your assistance. It's great to have someone like you at this club who is always willing to offer advice.

Finally, a big thank you to Nat for stepping in when I (Chris) was away. The team loved your training sessions, words of advice, encouragement, and your ability to "tell it how it is". Like Jenny, you were also someone who would set me and the team on the right path and someone who would step in to help whenever it was needed.

Nat, we cannot thank you enough.

Best & Fairest - Ashleigh Weir & Mackenzie Nicholson

This season, we have a Joint Best & Fairest Award. Both players could not be split, recording 21 votes each.

Ash has put in an enormous effort this season. She is the fittest and strongest she has been for several seasons, putting in additional training sessions away from the court. Ash is one of the hardest-working players on and off the court. Her on-court pressure and ability to wear any attacker down was a highlight to watch. As a coach, I loved and applauded the way she requested feedback, always looking for ways to improve her game, but more importantly, showing leadership both on and off the court. As a dominant defender, Ash transitioned from GK to GD this season and proved that she could take her game to another level. Ash, congratulations on an outstanding season.

This season, Mac primarily played in defence, while at times making the transition back into goals. Mac is an extremely versatile player who excels at both ends of the court. The countless intercepts, defensive pressure, and ability to put doubt in your opponent's mind were a pleasure to watch. You played the entire season with an injury, constantly pushing yourself to get on that court. I would love to see what you could do if you were fully fit. You are someone the team could rely on when the game was close. You were also someone I could rely on to get the job done. Thank you for your honest feedback. In a positive way, you offered advice that was welcomed and appreciated. Like Ash, you display maturity and leadership beyond your years. Congratulations, Mac, on a tremendous season.

Congratulations to the dynamic duo, Ashleigh and Mackenzie!

Runner-Up Best & Fairest - Melissa Ramsey

The Runner-Up B&F goes to a player who has taken her game to another level.

This award goes to an outstanding player and person, Melissa Ramsey. Mel, as captain, took on an enormous task and responsibility in leading this team. Mel had a new shooting partner in Mahalia and had to slightly adapt her game, not only to work with a new shooting partner in the circle, but also to adapt to a different coaching voice. As the season progressed, Mel's confidence excelled, and she had an outstanding second half of the season. Her quick ball movement in the circle, ability to shoot the ball from anywhere, and impeccable netball smarts made it difficult for any defender to gain the upper hand.

As a coach, it was so pleasing to see Mel take control of the game, back herself, back her teammates, and trust herself to nail the shot.

Congratulations, Mel, on showing me and the team just how good you can be.

Player's Choice Award

Player's Choice Award - Ashleigh Weir

This year's award, believe it or not, came down to the final game and the final vote. The player who took out this award was a clear winner from the halfway mark of the season. However, a late run home in the second half of the season by the runner-up saw the voting come down to the wire.

It is my pleasure to announce this year's Player's Choice Award to: Ashleigh Weir

Ash, once again, another outstanding season.

You took out the award by only two votes, scoring a total of 145 votes. It was quite unanimous from the players, week in and week out. This is an extremely impressive honour to be rewarded by your teammates with the Players' Choice Award. The players hold you in high regard and, as mentioned before, they could see the hard work and effort that you applied and demonstrated on the court. Once again, congratulations, Ash, on being the Player's Choice for Team 2 for 2026.

Coach's Award - Melissa Ramsey

This year's Coaches' Award was always going to someone I didn't need to second-guess.

In my time at the club, I have never seen someone put so much effort into her craft, both on and off the court.

Her desire to help her teammates and other club members was a delight to see. This person was always the first at training and the last to leave.

She put in extra training sessions on Tuesday nights, which highlighted just how much netball meant to her.

It was an absolute pleasure coaching someone who has the passion and the "want" to not only improve her game, but to continually push herself to be better.

Like most players, the desire to improve is something you strive for. But for this player, she went above and beyond to make sure she got the most out of her netball in the winter season.

Congratulations to all the winners tonight, and once again, thank you from Team 2.

Sarah Einsiedel - Team 3

I wasn't at the start of the season. However I was asked if I would help out Greensborough netball club NFNL team 3. I came in at grading where we had 3 out of four losses.
Team 3 was placed in division seven. Coming into the season with 3 losses is massive in a section of 12 teams.

However, Team 3 really showed up to training, put the hard work in, supported each other and developed every single week. The hard work showed on the court we went 13 rounds undefeated. We sat at fourth the whole season! Amy, our captain, was leading the goal scoring for our division all the way up until round 13!

We suffered our first loss when we came up against Ivanhoe, our second loss was against Heidelberg West. Coming into finals with back to back losses was a challenge. We fought for the first half giving Ivanhoe a run for their money however we came up short in the last half.

It was incredible to see how the hard work and dedication paid off. The season was incredible and I thank Greensborough for the opportunity to be around the netball life again.

Sonia Tusek - Team 4

What a season it has been!

I couldn't be prouder of Team 4 and everything the girls achieved. Despite injuries, illness, tough games and relying on fill-ins, the girls continued to show up, work hard and support one another. Thank you to everyone who stepped in to help.

Although we finished with three wins, the scoreboard doesn't tell the whole story. We were competitive throughout the season, with many close games. Most importantly, the girls grew in confidence, improved their skills, encouraged one another and enjoyed playing together.

Lisa Mandanici - Team 5

Team 5 had a fantastic season, and although our position on the ladder didn't quite reflect where we were at as a team, I couldn't be prouder of what we achieved.

Most of our games were decided by just one or two goals, whether we won or lost. We did miss out on finals, but every single week, this team fought hard, competed fiercely and continued to improve.

Our training efforts played a huge part in our growth throughout the season. Every player developed, learnt new skills and embraced the challenges we put in front of them.

Each week, Ellen and I voted together for our awards. Quite often, we had to sit down and talk through our decisions because separating individual performances was incredibly difficult. The girls worked so well as a team, each playing their role and contributing to our success. It really highlighted just how competitive and evenly matched our team was throughout the season.

Best & Fairest & Players' Choice – Kayla Sullivan
Throughout the season, one player continued to stand out.

Her adaptability across different positions, her strength in her specialised areas and, most importantly, her understanding of her role and how she works for the benefit of the entire team have been outstanding.

She has consistently demonstrated commitment, teamwork and a willingness to put the team first.

To receive both the Best & Fairest and Players' Choice awards is a fantastic achievement and a reflection of the respect she has earned from both her coaches and teammates.

We are incredibly proud to present the Best & Fairest and Players' Choice Awards to Kayla Sullivan.

Best & Fairest Runner-Up – Shae Brien

This player challenges us every single week. We are constantly looking for the best ways to get the most out of her, and when she responds, she is an absolute force to be reckoned with!

She listens, works incredibly well with her teammates and has embraced every challenge we have thrown her way. Throughout the season, we moved her into different positions, and she adapted, stepped up and became a fantastic asset to the team.

But it's not just what she brings on the court. She brings plenty of laughs, personality and energy to the team, and she has genuinely been an absolute joy to coach.

The votes were incredibly close, which just goes to show how competitive this award was.

Congratulations, Shae, on being our Best & Fairest Runner-Up.

Coach's Award – Sarah Melonhurst

Sarah came to us as a player who genuinely wanted to be coached and improve her game. Initially, she was only comfortable playing GA, but she embraced every challenge we gave her.

She learnt the craft of GS and WA and became comfortable playing both positions. When we needed her, she was even thrown into defence, where she adapted and gave it her absolute best.

Her growth as a goaler has been fantastic to watch. Her accuracy improved week after week, and she never stopped working on her game.

Sarah also deserves recognition for her incredible commitment. She attended every training session and consistently showed her willingness to learn and improve.

But more importantly, Sarah was a true joint captain and leader. She led by example, supported her teammates, embraced every challenge and brought a positive attitude to the team.

Sarah, your growth, commitment, adaptability and leadership have been outstanding. You have been an absolute pleasure to coach, and you should be incredibly proud of how far you have come.
Congratulations, Sarah, on receiving our Coaches' Award!

A Huge Thank You to Ellen
I honestly couldn't have asked for a better co-coach than Ellen this season.

Ellen was pregnant at the start of the season but was determined to stay involved and continue coaching as her little bubba grew. She jumped on board as my co-coach, and I am so grateful she did.

Her calm nature, knowledge and approach to the game complemented mine perfectly. Together, we made a really strong coaching team and worked hard to ensure everything ran as smoothly as possible.

I cannot thank her enough for the time, effort and support she gave throughout the season. I have genuinely loved working alongside her, and I really hope that when she is ready to return, she gets another opportunity to coach.

Thank You to the Executive Committee
I also want to acknowledge and thank the Executive Committee for the support they gave me throughout the season.

Whether it was listening, offering advice or stepping in when things happened, knowing I had that support made a real difference. In particular, during a difficult time with a sick family member, the understanding and support shown to me meant more than you probably realise.

Thank you for being there, for taking the time to listen and for supporting me throughout the season.

What a Season!
While we may not have made finals, I believe this team achieved so much more than a ladder position can ever show.

We grew together, competed week after week, challenged ourselves and developed as players and as a team. The closeness of our games showed just how much potential this group has.

I am incredibly proud of every single player, the effort they put in and the way they continued to fight for one another.

It's been a fantastic season, and I hope every player walks away knowing how much they have grown and how proud we are of them.

Thank you, Team 5, for a wonderful season.

Tracy Einsiedel - Team 6

I have had the pleasure of coaching team 6 this year.

We started with 9 players , had a player move up, gained a player and through helping other teams, injuries and life events, need to play a lot of games with fill ins

At the start of the season, I had people ask me what I was going to do with this team, as for many of the players it was their first season in an adult winter competition, but to team 6 credit they showed up every week to training, even during school holidays.

They worked hard to improve, each and every player improved their game. They supported and encouraged each other and the results were seen both individually and as a team.

We started to consistently win from half way through the season. We beat more experienced teams at least once, and with some luck we made finals in 4th place.

- 1st final - We won by 1 goal in over time, very stressful for a coach
- 2nd final - It was goal for goal, until the last four minutes of the game, when we won by 4
- Grand Final - The team played amazingly and gave it their all, but went down by 10, to the only team we did not beat all season.

As a coach I would like to thank the team, for their courage to take a chance and try new things, to want to learn and improve and for giving me and the team the best they could

I would like to congratulate Emily Baker, who won our section goal scoring at the NFNL awards night. Emily shot over 240 goals in her first winter season.

I would like to congratulate Leah Taylor, who came 6th in the best and fairest in our section at the NFNL awards night

Coach's Award - India Yeomen
Indiana plays defence, always with a constant smile and questions the coaches on how she can improve her game and support of her team mates.

Player's Choice - Isla Sharp
Isla plays mid court, is consistent, is always eager to do better and asks what she needs to do to beat her opponent.

Best and Fairest Runner-Up - Emily Baker & Leah Taylor
This year there was a tie and it was voted on by myself and the other coaches
Emily Baker - amazing effort in the goal circle, with great drive to the ball
Leah Taylor - captain and mid court, great drive and movement, supportive, led by example and improved during the season

Best and Fairest - Alana Walker
Alana won this year's award by a landslide. Alana plays in defence, often the shortest in the circle , but would get intercepts, deflections and rebounds, Alana was consistent, had 2nd efforts for the ball, would play any position, always with a smile and a pleasure to coach

It has been my honour and pleasure to coach these players this season, I wish them well in not only their future netball careers but also in life.

GFC Player Statistics

The following section contains game day statistics for every Greensborough Football Club player for season 2026;

- Best and Fairest Votes by grade and by game
- Games played in season 2026, including career totals for that grade
- Goals kicked in season 2026, including career totals for that grade

Senior Men's Best & Fairest Votes by Round - 2026
